Everyone always has something to say about the weather. This is especially true in a country like the UK that has very changeable weather. In the UK the weather from one day to the next can be completely different. In the UK there are four seasons, spring, summer, fall and winter, and the weather is different in each of them. The summer is the season with the best weather. In general, it's hot and sunny with only a little rain sometimes. After the summer is the fall. In this season the weather gets colder and there are stronger winds, also it rains more. As it gets cold in this season, frost might start to form on the grounds towards the end of the fall.

۱. What's the weather like in UK?
- a) humid b) hot c) changeable
۲. Which sentence about the weather in the UK is true?
- a) The weather changes from one day to the next.
- b) The weather does not change.
- c) There aren't four seasons in the UK.
۳. Frost starts to form on the ground in the
- a) spring b) winter c) fall
