My wife and I need a new place to live. We spent last Friday looking at new apartments in the city.

We find two apartments that we like but we can't decide which one is better.

I like the first apartment that we saw. It is closer to work. The inside is brighter because it has bigger windows. The new is nicer, too. Unfortunately, it is more expensive. The rent is too high. My wife likes the second apartment that we saw and I respect her opinion.
