Last year my family and I went to Tabriz by car. We left home early in the morning . It was 6:30 . On the way , there were some farms and mountains. At around 8 , we stopped and got off the car for breakfast. I saw an injured bird there . It was very little and beautiful . We put it in our car. After breakfast , we drove to Tabriz . We gave the bird to the zoo first and then we went to the hotel. Our room number was 205 . We stayed there for two nights . We visited the city and I bought some gifts for my best friends. We had a good time there .
