4 Read the following passage and answer the questions.

Dolphins are really one of the wonders of creation. They live in small groups. In the group, they can defend one another. They warm-blooded sea animals. Their different sizes are amazing. The largest dolphin is about 11 tons and the smallest one is around 90 pounds. These clever animals can hear about 10 times better than humans. They also have very good vision but their sense of smell is not so good. One more wonderful fact about them is that they have 100 teeth but they don't use them for eating. They get the fish and swallow them. There are a lot more to learn about this wonderful animal.

- 21 . Dolphins have the same sizes. a) True b) False
