Reading Comprehension

Harriet Tubman was born a slave. In the ١٨٠٠s, slaves were African-American people who were forced to work. They were “owned” by their masters and had no rights. They could be bought, sold, and be separated from their families forever. Harriet Tubman wanted a better life. She ran away from her “owners” on what came to be known as the Underground Railroad. The Underground Railroad was not really underground and it was not really a railroad. It was a series of long paths through the woods that lead to freedom for slaves in the Northern United States. It was very dangerous, and very long, but Harriet Tubman made it to freedom!

After Harriet became free, she helped her family members and other slaves to freedom along the Underground Railroad. Southern

slave owners were very angry with Harriet, and offered large rewards for anyone who could catch her. Harriet, however, was never caught. In all, she helped over 300 slaves to freedom in the North. Former slaves called her "Moses." That is one reason why Harriet will be known forever as the Leader of the Underground Railroad.
